3. To receive report from Ward Cllrs., NELC

None received as Ward Cllrs. absent due to NELC Mayor Making on the same night at Grimsby Town Hall.

4. To receive and consider any issues raised by members of the public

Members of the public raised concerns over the trees on the playing field backing onto Station Road. Residents concerned about height of the trees and overhanging and making gardens very shaded in the evening. Also concerned about any future tree planting on the field.

The Clerk would organise a tree specialist to liaise with Cllr. Sears to visit the site and then make any recommendations to be brought back to the Parish Council. It was stressed to residents that action isn't taken on healthy trees for cosmetic reasons, only if the tree requires action for health and/or safety reasons.

Chairman closed the meeting at 7.20 pm.
