Parish Council Notes

The Council meets every month, on the second calendar Wednesday of the month, at the Village Hall, commencing at 7.00 pm. Agendas are published a week before and are on our website. Members of the public are welcome to come along and attend.

The Council met as usual in June and July.

Various planning applications were discussed and all planning applications discussed at the PC meetings are available to view on the NELC website at www.nelincs.gov.uk. You just go to the Planning Applications, agree the terms and conditions and then you can input the planning application reference number or the address and it will bring up the documents for you to view.

The newly elected Ward Cllr. was noted following the elections in May and Members were sad to see former Cllr. Swinburn lose his seat as the Ward Councillor for the village.

The paperwork for the external audit has now all been submitted and the public are entitled to inspect the accounts by appointment and all details are on our website.

All information is on the PC website at

www.stallingboroughparishcouncil.com

If you feel that there are other issues affecting you or your local community that should be given priority, please inform your local councillors or your Neighbourhood Policing Team.

The named officers for Immingham, Habrough and Stallingborough ward are: PC 1645 Kris Collins

kristian.collins@humberside.police.uk

PC 913 Helen Linford-Andrews

helen.linford-andrews@humberside.police.uk

Protecting Communities, Targeting Criminals, Making a Difference

At the moment, the PC isn't receiving monthly written reports from the policing team, but hopefully this situation will soon be resolved.

How you can help

Your local Neighbourhood Policing Team appreciates the importance of being in the right place, at the right time, for the right reasons to reassure the public, improve public confidence and reduce crime and anti-social behaviour in the area in which we all live and work.

We encourage all residents to call and report any issues where they live so that we can deal with any issues and step up our patrols in the area. The non-emergency number is 101.

The next meetings of the Council will take place as shown and an Agenda for the meeting always appears on the Parish Council's website approximately one week prior to the meeting.

Any items, please contact Kathy Peers on 07494 577661 or email us clerk@stallingboroughparishcouncil.com

These are the dates for the next scheduled meetings for Stallingborough Parish Council.

Wednesday 9th September 2026

All meetings start at 7.00 pm unless advertised otherwise

Wednesday 14th October 2026

At all meetings the public and press are made most welcome and there is a forum for residents to bring up matters for discussion with the Parish Council.

Agenda is published on the website approximately one week prior to each meeting.

There is not usually a meeting in August but occasionally one is called to deal with any planning applications received.

Inclusive Swing Seat

Thanks to ward funding and our own funds, we have recently installed a new swing seat at the play park.

The 'Inclusive Cup DDA Swing' is suitable for adults and children (over the age of 5) of varied abilities with a maximum weight capacity of 120kg. The heavy-duty durable design of the swing seat

gives the ability to suit a variety of body types whilst keeping safety a high priority with a roller coaster type overhead plastic harness with safety latch. [online playgrounds]

We are busy getting the schedule organised and we hope

CHURCH NEWS –

At the time of writing, we at the church are expecting to see significant scaffolding arriving for more roof work in the near future. Those who walk past the church on the footpaths may have noted that the weathervane on top of the tower is tilting over and needs repairs. That is just one of the several jobs we need doing at considerable height, including fixing holes in the roof! We have had to commission an Engineer's Report on the tower scaffolding proposals for safety reasons. As last year, it is intended that the local police are notified about our scaffolding and so they may well be seen around the church on their patrols.

We are very grateful to have been promised grants from both the *Georgian Society*, based in London and the *Lincolnshire Churches Trust* towards this work and we are busy trying to raise some funds now for the shortfall of about £1700. It will be a proud moment if and when the works are completed to show representatives from these organizations the lovely little Georgian church of Stallingborough.

Although we have been unable to have services as normal for many months due to clergy absence a June 21st service was arranged with the help of the Churchwardens and Kevin Onn, the lay preacher from Healing Church and it was really nice to see new people in the church. Kevin Onn has indicated that he may well be re-vamping the services to make them more children friendly and hopefully we can do it again in September with that in mind. As usual the Parochial Church Council, (PCC), is always grateful to hear from any villagers who would like to join us or give us a hand with keeping this "grand old Georgian lady" going!

Hedge cutting back -

It's that time of year again when hedges, trees, bushes etc. are all growing well—sometimes hanging over pathways, pavements, roads etc.

Please trim back anything from your property which might overhang and cause an obstruction to either a pedestrian or a driver.

Thank you!

The next issue will be October/November 2026 —articles and items in to us by Monday 14th September 2026 please and no later, so we can include them in the next edition.

Dustbins – **THE COUNCIL DO NOT, AND NEVER HAVE, EMPTIED THESE.** The dustbins are inside the new graveyard gates for depositing dead flowers etc. when tending graves. Depositing multiple bags of dog waste, perished wooden and plastic, (i.e. non- perishable), grave adornments and household rubbish in our bins will inevitably result in those bins being removed. Advance warning - please be prepared to take all your rubbish and dog waste home to dispose of in your own bins and do have a think sometimes about what you may have left on your loved one's grave i.e. plastic wrapping on flowers or other decorations that eventually just badly deteriorate.

Hope you have all been enjoying the summer sunshine.

Our new 2026-27 programme started in June with a visit by Karl Elliott of VANEL (Voluntary Action North-East Lincolnshire). Karl gave a very insightful talk about how to detect scams/fraud and provided excellent advice. Members shared details of their own experiences - sadly it's an increasing and negative aspect of modern life.

Our Open Meeting on Thursday 2nd July was a great success with guests joining our members to support this event. Jayne Merriman, NAFAS National Teacher gave a flower arranging demonstration and produced three fantastic arrangements, which were raffled to lucky winners at the end of the evening. Jayne explained the process for producing each arrangement and was very entertaining and enthusiastic about her passion.

Our Annual Summer Supper is on Thursday 6th August. This relaxing event is where we enjoy food, drink (alcoholic and non-alcoholic) and lots of chat!!

On Thursday 3rd September, James Elliott known as The Canoe River Cleaner is visiting to talk about his passion for keeping our environment clear of rubbish, a sentiment shared by WI ladies. To quote Jim "Nature doesn't want anything from us, just to be left alone".
