## **How you can help**

Your local Community Policing Team appreciates the importance of being in the right place, at the right time, for the right reasons to reassure the public, improve public confidence and reduce crime and anti-social behaviour in the area which we all live and work.

We encourage all residents to call and report any issues where they live so that we can deal with any issues and step up our patrols in the area.

If you feel that there are issues within your community that the police should consider prioritising, then please speak to your local officers, town, or parish councillors or through the One Voice committee.

## **CHURCH NEWS – ST PETER AND ST PAUL,** **STALLINGBOROUGH**

Those of you who walk your dogs or take the air along the footpaths at the end of Church Lane may well have noticed the considerable amount of scaffolding on the church and building activities going on there. A former villager who has known the church very well for over 70 years, says “he’s never known scaffolding on the church in all that time”. A tribute indeed to the skilled original Georgian builders but even classy buildings eventually need maintenance and there is much work to do.

The general appearance of the outside of the church needs more work, “kerb appeal” as the estate agents call it. The Parish Council very kindly do mowing in the new churchyard. We could do with some significant gardening help for a major overhaul of the old churchyard, it’s a large(!) area and it’s very overgrown.

Would you like to see the church being more of a community building? We had a service there on Sunday 31<sup>st</sup> August and there were over 40 people there which is great but it’s also becoming more frequent now to find churches hosting non-religious events for community interest as well as being homes of Christian belief and worship.

Indeed, we have had interest in the past from local organisations about hosting things in this lovely Georgian church but we need more facilities, i.e. an accessible toilet and maybe a small servery for tea/coffee etc. The acoustics are pretty good people say, so maybe we could have events i.e. a band in there sometimes, or a choir or a Stallingborough organization/community using the building?

## PRODUCE SHOW.

### Stallingborough Village Hall 6<sup>th</sup> September 2025

What a great show our entries were up 10% and we had quite a few new exhibitors.

We had some amazing entries what a lot of talent we have, again we were disappointed with the number of entries in the Children's Section please encourage everyone to enter next year.

Doug Stewart the Humberside gardener came to visit the show and chatted to committee members and exhibitors.

As a committee it is very rewarding to see so many people in the hall in the afternoon all admiring the many exhibits.

We hope it continues for many more years and each year sees more entries. We would like to thank Trevor Croft our Ward Councillor for presenting the prizes and for supporting our show again. And a big thank you to everyone who supported the show and made it so successful.

Marion Moorcroft.

From past experience we know that whether it's a service, wedding, baptism, funeral or just a visit, people appreciate facilities. Any villagers who have never been in Stallingborough Church, (bet there's a few?), may well think if they actually visit, "it's lovely in here, why haven't I been in here before?"

It may be too late for the news this time but as put in the last Stallingborough Village News, from 12<sup>th</sup> to 21<sup>st</sup> September, this year's National Heritage Open Days are being held. Norman Coffey, our Assistant Churchwarden, has registered with the organizers the special opening of the church from 12noon to 4pm during those days and there will be some displays of historical events that happened in and around Stallingborough and hopefully some village photos or artefacts from bygone times.

Here are a couple of advance dates for traditional services at your church: Sunday 12<sup>th</sup> October at 11am, **Harvest Festival Service**; Sunday 21<sup>st</sup> December at 3pm, **Carol and Crib Service**.

**CHURCH SERVICES –**

**Please support us to help keep our church open.**

Hello Everyone,

We had a lovely day at Scampston Hall on July 17th. The coach driver was a 'nice young man' and the weather was perfect. We arrived at the Hall just before 11.00am and the adventure began! Our tour of the house was booked for mid afternoon so there were the beautiful gardens and parkland to explore, plus lunch, tea/coffee to be enjoyed until our tour time. The house is privately owned and is full of beautiful and interesting objects. We all agreed that it felt very homely.

At our Summer Supper on 7<sup>th</sup> August 24 members had a very enjoyable evening of eating, drinking and lots of talking!!

Dr Nicola Crewe came to talk to us on 4<sup>th</sup> September. Her illustrated talk was entitled, 'Exactly What it Says on the Tin' which was about the food industry and how every food item we buy from a supermarket, shop, market etc should be safe, good quality and legal. We may complain about health and safety in our country but when we were shown a slide of a tin of baked beans with half of a lizard in it we were glad that we don't live in Dubai! Apparently, the purchaser only complained because he was worried that the other half of the lizard would be in another tin of baked beans! As always, her talk was fascinating and very informative.

# WOMENS INSTITUTE

On Thursday 2<sup>nd</sup> October the Reverend Mark Hutson is coming to talk to us about the vital work that he and others do at the QVSR (formerly called the Seafarers Mission) on Immingham Docks.

Mark is such an enthusiastic speaker and passionate about his work so it should be a good and informative evening.

We shall be having a 'hands on' meeting on Thursday 6<sup>th</sup> November when Pam Harrison is coming to demonstrate how to decorate ceramic objects. Those that wish to can make their own items which Pam will take away to fire. The finished items will be returned at the next meeting.

Our 4th December meeting will be a Christmas Activities one which involves making something Christmassy followed by a Faith Supper so there will be food and drink too, plus, I know that this will come as no surprise to anyone, there will be lots of talking!!

We meet at 7.30pm in Stallingborough Village Hall on the first Thursday of each month (except January and May).

Ladies will be made most welcome, if you have any questions about W.I. please feel free to contact me and I'll do my best to help you.

Best wishes,

Jenny Short
